Why Choose Us?

Veteran-Owned and Woman-Led: Diverse leadership with extensive federal contracting experience.

Proven Success: History of delivering on-time, on-budget results across complex projects.

Agile and Adaptive: Solutions tailored to evolving client needs.

Extensive Network: Access to specialized professionals in cybersecurity, cloud services, program management, and more.

Past Performance

CMS CCO - Learning Management System (LMS) Cloud Migration

Problem: Manual LMS operations caused inefficiencies and compliance risks.

Solution: Migrated to a FedRAMP-compliant cloud-based LMS.

Impact: Improved data integrity and reduced compliance risks by 25%

CMS CCO - Data Migration of Document Repositories

Problem: Legacy systems hindered data accessibility and security.

Solution: Implemented secure data extraction, validation, and repository migration.

Impact: Enhanced operational efficiency and security posture.

US Army PEO C3T - JBCP Tactical Communication Systems Integration

Problem: Complex supply chain and obsolescence risks.
Solution: Scaled supply chain and implemented obsolescence management strategies.
Impact: Improved logistics efficiency by 20%.
